Yes, you may leave but please make an effort to send your corrections to Diana as soon as it is possible for you to do so. She needs them to finish the report. Thank you.

I do not have the final copy, as I have told you. I am not in a physical position to concentrate at this time. Do I have permission to leave?

That's OK, Scott. Please give your corrections for the Annual Report to Diana before you leave. Thank you.
