

“Prove Me Wrong” for \$5,000.00

February 15, 2026

Aloha TPUSA ~

I submitted this comment in your Contact Us form page. Form returned an error.

I wrote to Charlie in 2024. He picked on 19-year-old students. Offered to debate him anytime anywhere. I'm a PhD political science and economics researcher. Not WOKE or MAGA. I seek truth. You say "prove me wrong." I bet I can prove you wrong and offer \$5,000.00 challenge to anyone from TPUSA to debate me. Charlie didn't have the courage. Do any of you? Put up your money. Let's find out who is telling the truth.

The image shows a dark-themed contact form. At the top, there is a "Subject" section with a red asterisk, followed by a list of radio button options: Tribute Message for Charlie, Campus Tours, Career Opportunities, Chapter Inquiry, Conference/Event, Media/Press, Donation Inquiry, General Inquiry (which is selected), Report a Professor, Report a School Board, Speaker Inquiry, Sponsorships/Exhibitors, TPUSA Faith, and Turning Point Academy. Below this is a "Message" section with a red asterisk, containing a text area with the following text: "I wrote to Charlie in 2024. He picked on 19-year-old students. Offered to debate him anytime anywhere. I'm a PhD political science and economics researcher. Not WOKE or MAGA. I seek truth. You say 'prove me wrong.' I bet I can prove you wrong and offer \$5,000.00 challenge to anyone from TPUSA to debate me. Charlie didn't have the courage. Do any of you? Put up your money. Let's find out who is telling the truth."

I resubmit my comment and offer to DEBATE anyone from TPUSA for \$5,000.00. Put up your money. Let's make this an adult and professional discussion. TPUSA claims not to be afraid, but you are afraid. You are afraid to debate educated Americans. Jesus was not afraid. Why are you?

Do you have a message for the Turning Point USA team?
Please submit the form below and someone from our team
will follow up with you as soon as possible.

YOU are afraid

"We are not afraid," Erika said, adding that the TPUSA team will continue to host "Prove Me Wrong"–style debates as part of its campus outreach.
